

An Annual
Giving Circle of
Supporters Committed
to Ending
Homelessness

Ordinary people...just one paycheck away from homelessness.

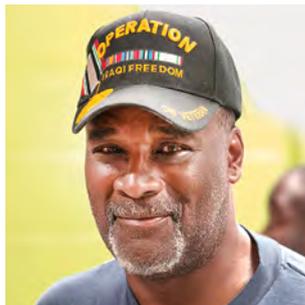

Nearly half of all Arizonans are one emergency away from not being able to cover their basic needs. And when an emergency occurs—job loss, car repair or illness, more than 5,000 members of our community end up on the streets.

When they do, these individuals line up outside the doors of Arizona's oldest and largest shelter. Every afternoon, 365 days a year, in the scorching summer and chilly winters, 470 elderly, veterans, disabled, men and women line up for a bed, a shower and a safe place to sleep. Many don't fit the stereotype of a person who is homeless.

CASS helps reverse the trajectory by giving those experiencing homelessness help when they need it the most.

Our Goals:

- Provide emergency shelter
- Help find employment
- Get roofs over their heads
- Offer the resources and encouragement to succeed

When you join *Champions for CASS* circle of supporters, you are making your voice loud and clear that you are committed to ending homelessness.

As a *Champion for CASS*, you will receive:

- Exclusive invitations to private VIP events including social activities, speakers and more
- Recognition in key collateral materials reaching thousands of individuals and community leaders
- Opportunities to meet and learn about the people you help
- Updates on the status of those your gift impacts

Since 1984, CASS has helped more than 150,000 individuals in crisis get back on their feet with shelter and supportive services.

Please join us! Ending homelessness one life at a time.

“We ask you to walk
shoulder-to-shoulder with our
homeless neighbors and join
us with your commitment to
Champions for CASS.”

—JENNY NORTON & BOB RAMSEY
